

# Mount Nemrut and Gobekli Tepe Extension

## Tour Itinerary

### DAY 1 - Cappadocia - Mt Nemrut - (B, L)

Meet your private driver and professional guide this morning as you depart Cappadocia and begin your journey east. Travel via Kayseri, stopping at the impressive 13th century Seljuk caravanserai of Karatayhan, an important resting point on the ancient Silk Road.

Continue through changing landscapes towards the Mount Nemrut region. In the afternoon, visit the historic Cendere (Severus) Bridge, the Karakus Tumulus, and the ancient site of Arsameia, once the summer capital of the Kingdom of Commagene.

Later, ascend Mount Nemrut to witness a spectacular sunset among the colossal stone heads and royal monuments built by King Antiochus I. Please note that reaching the summit requires an approximately 20 minute walk on a steep but well maintained path.

Overnight in Adiyaman.

### DAY 2 - Mount Nemrut Region - Gobekli Tepe - Sanliurfa - (B, L)

After breakfast, depart for Gobekli Tepe, considered the world's oldest known temple complex and dating back more than 12,000 years. Explore its remarkable stone circles and carved pillars, and learn how this extraordinary site has transformed our understanding of early human civilisation. Continue to Sanliurfa, often referred to as the City of Prophets. Visit Abraham's Cave, believed to be the birthplace of the Prophet Abraham, and the nearby Pools of Holy Carp, a peaceful and sacred site surrounded by legends and local tradition. Overnight in Sanliurfa.

### DAY 3 - Harran - Goodbye - (B, L)

After breakfast, drive to Harran, famous for its distinctive mud brick beehive houses and its mention in the Book of Genesis as a place where Abraham once lived. Explore the ruins of Harran Castle, the remains of one of the earliest Islamic universities, and the surrounding historic structures that reflect the area's long and diverse history. Later, transfer to Sanliurfa Airport for your onward flight.
